I feel like the time has come
A fearless rescue from everyone

Who made you the master
The Lady caster
I found you looking for a good time
I was out in exile
Perfecting my style
I knew you wanted a reaction

[Chorus]
Hit me, harder
I'm getting re-wired
I flip the switch
That make you feel electric
Even, faster
Than before
I gonna light em up with you
I gonna light em up with you

Try to keep up you scatter brain
She will enter through your vein

Who was your creator
The one who made you
The flame I need to heat the silver
You'd bring Gods to their knees
Pick out the bad seeds
Relieve the generals of their duties

[Chorus]
Hit me, harder
I'm getting re-wired
I flip the switch
That make you feel electric
Even, faster
Than before
I gonna light em up with you
I gonna light em up with you

Who made you the master
The Lady caster
I found you looking for a good time
Now this blood and glitter
It tastes so bitter

There's no retreat for I surrender

[Chorus]

Hit me, harder

I'm getting re-wired

I flip the switch

That make you feel electric

Even, faster

Than before

I gonna light em up with you

I gonna light em up with you
