It's not that I don't care  
I know it's here somewhere  
But it's more than I can bare to take  
I lie awake at night  
I never win the fight  
Its an addiction I can't shake  
Its overbearing me  
Growing, flowing, showing

[Chorus]  
I surrender, forever  
I fold, I played the losing card  
I'm under  
Its over  
I give it up it's all too hard

It's not I'm unsure  
I've heard it all before  
But I can't help wanting more to keep  
You just don't understand  
The way I really am  
Its all I ever can be  
But underneath it all  
I'm breaking, waking, shaking

[Chorus]

And now I face it all  
I'm falling, crawling, stalling

[Chorus x2]
