Switchblade smiles  
They go on for miles  
And will be forever  
Now we stand together  
Theres no denials

Much Too Soon  
For the wooden spoon  
Can you Hear the knocking  
Now Your Feet Are Stomping  
Around the Room

[Ooooooooooh (x2)]

Can you feel it coming?  
Can you feel it coming?  
Can you feel it coming?  
Can you feel it coming?

Switch Blade Smiles

They go on for miles  
And will be forever  
Now we stand together  
and fill the Aisles

Much Too Soon  
For the wooden spoon  
Can you Hear the knocking  
Now Your Feet Are Stomping  
Around the Room

No Way back  
From a Shark Attack  
See The Eyes Rollover  
From Behind your Shoulder  
And Fade To Black

Can you feel it coming?  
Can you feel it coming?  
Can you feel it coming?  
Can you feel it coming?
