Nightmares, oh nightmares come on now  
Getting my days all wrong now  
Risen from prison an outlaw  
Spending our time in the lion's jaw  
In the end you sink or swim, I'm eager, I'm eager

Loving, more loving, come on now  
Socially biting your tongue now  
Run down, oh run down old houses  
Feeding the cats to the mouses

Oh take aim now, oh take aim now  
Can you see me in the way now?  
Oh take aim now, oh take aim now  
Gotta get us out of here

Drop them and give them star prizes  
Lock them away in high rises  
Held off and called on by truncheons  
Rattling keys to the dungeons

Oh take aim now, oh take aim now  
Can you see me in the way now?  
Oh take aim now, oh take aim now  
Gotta get us out of here

Don't take me over  
I bid you all farewell, I've got to leave  
Tears on my shovel  
Switch me off today

Oh take aim now, oh take aim now  
Can you see me in the way now?  
Oh take aim now, oh take aim now  
Gotta get us out of here

Oh take aim now, oh take aim now  
Can you see me in the way now?  
Oh take aim now, oh take aim now  
Gotta get us out of here

Don't take me over

I bid you all farewell, I've got to leave
