Oh green fairy  
What you've done to me  
There's a nothing in the sky  
Waiting to get high

I went up for some milk  
Three days ago  
Now they crowd me in the street  
You knock me off my feet

Ah ah ah  
Ah ah ah ah aha ha  
Ah ah ah ha ah

Here's that romance...  
Leaning toward her mind  
Do you love  
Like you love her  
When you're gone

May today I got someone prettier than  
I got the eyes of a mad man  
I cannot run

How does it feel to live a life  
Where nothing is real,  
So just send me  
Down the river

Pride and romance  
Kill the one you love  
Your mind.. makes you much older  
Then you're gone

I am not gonna wait for tomorrow  
I just sit back and wait for the sign  
I am not gonna celebrate my freedom  
So just send me down the river

Na na na  
Na na na na na na na

Na na na na na  
Na na na na

Oh green fairy  
What you've done to me  
There's a nothing in the sky  
Waiting to get high

I went up for some milk  
Three days ago  
Now they crowd me in the street  
You knock me off my feet

Ah ah ah  
Ah ah ah ah ah aha ha  
Ah ah ah ha ah

Pride and romance

Give the one you love  
Your mind  
Makes you much older  
Then you're gone

May today I got someone prettier than  
I got the eyes of a mad man  
I cannot run

How does it feel to live a life  
Where nothing is real  
So just send me  
Down the river
