You with the sad eyes,
Don't be discouraged.
Oh I realise,
Its hard to take courage
In a world full of people,
You can lose sight of it all
And the darkness inside you
Makes you feel so small.
But I see your true colours shining through.
I see your true colors,
And that's why I love you.
So don't be afraid to let them show;
Your true colors.
Your true colors.
Are beautiful
Like a rainbow.
Show me smiling;
Don't be unhappy,
Cant remember when
I last saw you laughing.
If this world makes you crazy
And you've taken all you can bear
You call me up,
Because you know I'll be there.
But I see your true colours shining through.
I see your true colors,
And that's why I love you.
So don't be afraid to let them show;
Your true colors.
Your true colors.
Are beautiful
Like a rainbow.
Cant remember when
I last saw you laughing...
If this world makes you crazy,
And you've taken all you can bear
You call me up
Because you know I'll be there.
But I see your true colours shining through.
I see your true colors,
And that's why I love you.

So don't be afraid to let them show;
Your true colors.
Your true colors.
Are beautiful
Like a rainbow.
But I see your true colours shining through.
I see your true colors,
And that's why I love you.
So don't be afraid to let them show;
Your true colors.
Your true colors.
Are beautiful
Like a rainbow.
