I sit and wait for you  
'Cause this was never over  
I hear the talk in codes  
If you want me, then come get me  
You want me, so come get me

I'm standing with my allies  
Sellin' arms to strangers  
Watch them shoot ya down

There ain't nothin' I will say to you  
But I know your eyes are fearin'  
I watch as you creep by  
I'll find my way, won't let go  
I'll find my way, won't let go

I'm standing with my allies  
Sellin' guns to strangers  
Still don't let me sin
