yes indeed I'm,  
alone again  
and here comes emptiness,  
crashing in  
its either love or hate  
i cant find in-between  
because I've been with witches  
and i have been with the queen

it wouldn't have worked out anyway  
so now its just another lonely day hey hey  
further along we just may  
but for now its just another lonely day hey hey

wish there was something i  
could say or do  
'cause i can resist anything but  
the temptation from you  
but I'd rather walk alone  
then chase u around  
I'd rather fall myself then let you  
drag me on down

it wouldn't have worked out anyway  
but now its just another lonely day hey hey  
and further alone we just may  
but now its just another lonely day hey hey

yesterday seems like  
a life ago  
cause the one i loved today  
i hardly know  
and you i held so close  
in my heart oh dear  
grow further from me with every falling tear

it wouldn't have worked out anyway  
so now its just another lonely day hey hey  
further along we jus may hey hey  
but for now its just another lonely day hey hey  
for now its just another lonely day hey hey  
for now its just another lonely day hey hey
