I found the answer but I never liked it
I took my baby to the 10 step platform
I tied a reef knot on twice with the blindfold
I whisper 20 steps and point direction

Crossfire doesn't burn you
It only hurts when it gets you in the heart
If you don't hate me you'll learn to
I thought I had it clear from the start
I don't have a heart

I call my baby just to hang up on the phone
I take a rain check and I never ever check the rain
I leave the carton out for hours on summer days
I took a course on how to break the most hearts

Crossfire doesn't burn you
It only hurts when it gets you in the heart
If you don't hate me you'll learn to
I thought I had it clear from the start
I don't have a heart

Crossfire doesn't burn you
It only hurts when it gets you in the heart
If you don't hate me you'll learn to

I don't have a heart
I don't have a heart
