[Chorus]

Don't you trip this is the Soul Assassins  
We come and blast them  
We Eastside riders, this is how we doin'

[B-Real]

I spent hot days under the sun with all my loved ones  
Soul Assassins family click you know the dark one  
Eastside hellraisers, promoters pay us  
To tear the roof of this shit, the mic blazers  
Smoke alarms goin off, flowin off  
The track, got em showin off, blowin off  
All wack niggas choke in coal, eat a dick up  
Pick up ya teeth out the street flossin holes  
God knows weedniggas ya figured ya find ways  
To escape the path of the serial rhyme-killa  
Top billa, bankaccount filla  
Spittin out more hot shit then Godzilla  
The firebreatha, turn up your receive  
I attack the brain through the sound in ya speaka

No you can't fuck with this...

No you can't fuck with this...

Chorus

[B-Real]

You can't hold back the fury, I bury you in a hurry  
Rhymestyle non-stop commin in a flurry  
Don't worry, Imma settle this, get the fist  
I sever your vocalcord with a flick of my wrist  
You insist to be here, I make this clear  
It's a game of cut-throat from ear to ear  
Can you hang in the world when, where ya girlfriend  
Hanging with my crew and steady serving  
Come get your feeling hurt and come act hard  
I got a ditch in my backyard for all you scared niggas  
I make figures for all the soldiers to follow  
Peace to my fam, bands who won't see the ...  
I see you in the next one, I test one  
When you flex son, respect one, the best one

Cypress Hill, Soul Assassins, blastin you on  
In the race called life yo we passin you on

We Eastside riders, this is how we doin'

Don't you trip this is the Soul Assassins
