I got your love  
I got your need  
I got you wrapped around my finger like a glove  
And i got you on your knees  
Ya begging me darlin' please  
I got your mind  
I got your soul  
I got you held up like a prisoner cryin' blind  
But I got you in control  
Baby lets rock and roll

*[Chorus]*

You better hide you conscience under the bed  
You aint gonna get me outa your head  
You think slipped through the cracks somehow  
But I got you now

I got your heart  
I got your blood  
I got you boilin' up like water from the start

It's risin' like a flood  
You're sticken to me like mud

I got your pain  
I got your ache  
I got you holdin' on with both hands to the chain  
Like something's about to break  
Baby how much can you take

*[Chorus]*

I got your love  
I got your need  
I got your mind  
I got your soul  
I got your heart  
I got your blood  
I got your pain  
I got your ache

*[Chorus]*

I got you now, I got you now, I got you now....
