Sometimes you walk like an angel
Sometimes you walk like a man
Sometimes you crawl like a baby
Makes me forget who I am
Have you ever been held before
Like honey to the bee
I've never been held before
Like you hold me

Chorus:

You make me feel like a river
Like a water overflow
Wanna shout it out from the Mountain
Wanna sing it on the radio
I'll sell my soul like a sinner
If it means you'll never go

I think the sun is finally rising
Its burning down because I miss you
I'm gonna walk right through the fires
Cos all I wanna do is kiss you

Rain falls, won't wash this away
I'll build a stonewall to make you stay

[Chorus:]

You make me feel like a river
Like a water overflow
Wanna shout it out from the Mountain
Wanna sing it on the radio
I'll sell my soul like a sinner
If it means you'll never go

[Chorus:]

You make me feel like a river
Like a water overflow
Wanna shout it out from the Mountain
Wanna sing it on the radio
I'll sell my soul like a sinner
If it means you'll never go

Never go
Never go
