One was the light in a candle  
Two was the colour of the rain  
Three was a fall in deeper  
Four was a cry and shame  
Five was a shiver in the winter  
Six was a losing card  
Seven was the hope I would never fall too hard

One was a breath under water  
Two was a crash and burn  
Three was a ghost of the lover  
Four was a lot to learn  
Five was the livin' in a cradle  
Six was a mercy cry  
Seven was the hope you would never say goodbye

*[Chorus]*

You win  
I lose  
You leave with nothin' to prove  
You rise, I fall

I leave with nothing  
Nothing at all

One was a faith in a sorrow  
Two was a waste of a dream  
Three was a life in a bottle  
Four was the last to believe  
Five was a break in the weather  
Six was back to the start  
Seven was the hope it would never go this far

*[Chorus]*

I was your waste time  
You were my angel wing  
I was your falling star  
You were my everything

*[Chorus x2]*

Nothing at all, Nothing at all  
Nothing at all, Nothing at all
