I'm just an old man
My hair is thinnin'
My head is spinnin'
I cry myself to sleep at night
And Lordy, Lordy
Though no one hears me
I know you're near me
You will always be my wife
La da da da
La da da da
La da da da

And some days make me
Feel weak and shaky
Some fly right right by me
Like a paper aeroplane
And I hardly notice
That the world's gone crazy
But nothin's clearer
Than the way your said my name
La da da da
La da da da
La da da da
But I should've let go by now
Yeah I should've let go by now
But I kept your brownies
And your golden honey
And I smell your flowers
And I saved your money
And I hold your blanket
Close for hours
And I painted my heart blue
But I did it all for you
La da da da
La da da da
La da da da

I'm just an old man
My hair is thinnin'
My head is spinnin'
I cry myself to sleep at night
And Lordy, Lordy

Though no one hears me
I know you're near me
You will always be my wife
