Smoke don't rise  
Fuel don't burn  
Sun don't shine no more  
Late one night, sorrow come round  
Scratching at my door  
But I cut my hands  
And break my back  
Draggin' this bag of stones  
Till they bury me down, beneath the ground  
With the dust and rattlin' bones

[Shane] Left my home and left my love  
[Kasey] Caught on a rusty nail  
[Shane] Devil rose up, heavy with gold  
[Kasey] My soul's not for sale  
[Shane] Then a holy man in a house of God  
[Kasey] He offered me a book of prayer  
[Shane] And when I left my home I left my love  
[Both] I left my faith back there

Smoke don't rise  
Fuel don't burn  
Sun don't shine no more  
Late one night, sorrow come round  
Scratchin' at my door  
But I cut my hands  
And break my back  
Draggin' this bag of stones  
Till they bury me down, beneath the ground  
With the dust and rattlin' bones

[Shane] Shuttin' my eyes and hang my head  
[Kasey] Darkness makes no sound  
[Shane] Climb it up, bottom there  
[Kasey] Earth's on the way back down  
[Shane] When a sadness falls on the morning bird  
[Kasey] Wonder what the day will bring  
[Shane] But I'm shuttin' my eyes and hang my head  
[Both] At least that bird can sing

Smoke don't rise  
Fuel don't burn

Sun don't shine no more  
Late one night, sorrow come round  
Scratchin' at my door  
But I cut my hands  
And break my back  
Draggin' this bag of stones  
Till they bury me down, beneath the ground  
With the dust and rattlin' bones

Till they bury me down, beneath the ground  
With the dust and rattlin' bones
