It's not that I don't care, I know it's here somewhere  
But it's more than I can bare to take  
I lie awake at night, I never win the fight  
It's an addiction I can't shake

It's overbearing me  
And growing, flowing, showing

I surrender forever  
I fold, I played the losing card  
I'm under, it's over  
I give it up, it's all too hard

It's not that I'm unsure, I've heard it all before  
But I can't help wanting more to keep  
You just don't understand the way I really am  
It's all I ever can be

But underneath it all  
I'm breaking, waking, shaking

I surrender forever  
I fold, I played the losing card  
I'm under, it's over  
I give it up, it's all too hard

And now I face it all  
I'm falling, crawling, stalling

I surrender forever  
I fold, I played the losing card  
I'm under, it's over  
I give it up, it's all too hard

I surrender forever  
I fold, I played the losing card  
I'm under, it's over  
I give it up, it's all too hard
