If I could do it all again
I wouldn't change a thing
I'd have you back the way I had you then
But one thing that I know
This time I wouldn't make you go
I'd have you back I wouldn't lose you again
But I learnt the hard way
I can't have it back what I had then
Yes I learnt the hard way
and I know I won't have that chance again

Some nights I sit on my own
with a feeling of alone
wondering if your ever coming home

but I know why your gone
I'll be the first to say I'm wrong
but it's hard to spend another night alone

Cause I learnt the hard way
I can't have it back what I had then
Yes I learnt the hard way
And I know I won't have that chance again

Yes I learnt the hard way
I can't have it back what I had then
Yes I learnt the hard way
And I know I won't have that chance again
Cause I learnt the hard way
