We're all gonna die someday lord
We're all gonna die someday
Mama's on pills daddy's over the hill
But we're all gonna die someday
Well it hurts down here on Earth lord
It hurts down here on Earth
It hurts down here cause we're running out of beer
But we're all gonna die someday

We're all gonna die someday lord
We're all gonna die someday
Mama's on pills daddy's over the hill
But we're all gonna die someday

Well all of my friends are stoned lord
All of my friends are stoned
Janie got stoned cause she couldn't get boned
But we're all gonna die someday

We're all gonna die someday lord

We're all gonna die someday
Mama's on pills daddy's over the hill
But we're all gonna die someday

Well they can all kiss my ass lord
They can all kiss my ass
If they want to kiss my ass well they better make it fast
'Cos we're all gonna die someday

We're all gonna die someday lord
We're all gonna die someday
Mama's on pills daddy's over the hill
But we're all gonna die someday

I say

We're all gonna die someday lord
We're all gonna die someday
Mama's on pills daddy's over the hill
But we're all gonna die someday
