I Need You In This Time
In My Mind You Always Shine
The Only One Thing For My Heart
Please Baby Don't run Apart
I Am Standing Alone In Your Way
I Hope So Strong That You 'll Stay.

Don't Go Out Of My World Baby
You Know That I Am Going To Crazy
Don't Go Out Of My World Baby
Don't Go Out Of My World Baby
Oh Baby Oh Baby

The Best Time We Spend Together
The Memories Thats We Share Forever
The Golden Memoments Of Love With Me
Can You Forget Oh Baby
I Am So Lost With Out You
I Can't Live My Life Without You

Don't Go Out Of My World Baby
You Know That I Am Going To Crazy
Don't Go Out Of My World Baby
Don't Go Out Of My World Baby
Oh Baby Oh Baby

Don't Go Out Of My World Baby
You Know That I Am Going To Crazy
Don't Go Out Of My World Baby
Don't Go Out Of My World Baby
Oh Baby Oh Baby

(Live Performance August, 1998)
