They make no sounds, they ring no bell  
Leaving no traces, they got no tales to tell  
They find no home, they make no love  
Casting no shadow while balancing the burn

Oh, here I come, me and my desire  
Everyone's got their own monkey on a wire  
Oh, down below, leader of the choir  
Is waiting for the next monkey on a wire

They keep no fear, no second prize  
Walking like Jesus with voodoo in their eyes  
They come in green, they leave in black  
Holding dead roses with bullets in their backs

Oh, here I come, me and my desire  
Everyones got their own monkey on a wire  
Oh, down below, wrapped up in the fire  
Waiting for the next monkey on a wire

They make no sound, they ring no bell  
Walking like Jesus goin' straight on into hell

Oh, there you go, you and your desire  
Everyone's got their own monkey on a wire  
Oh, down below, leader of the choir  
Is waiting for the next monkey on a wire

Oh, down below, wrapped up in the fire  
Waiting for the next monkey on a wire  
Waiting for the next monkey on a wire  
Waiting for the next monkey on a wire
