(Spyda)

Call me Spyda, cuz I'll delight ya
Talkin mad noise then I'll fry ya
Rollin in the hood? Nah you's a liar
You a motherfucker with a motherfuckig friar
It aint like no damn priest, tellin me to get off Denise
His daughter bitch in hot water, a cow to slaughter
Readin worthless books like Harry Potter
And I got a potty ass motherfucking mouth
You know niggas like me in tha dirty south
You know niggas got skills in my crowd
Turn the fuckin beat down that shit's too loud
And I roll up on a ho, slap her in the face
yo and hello
Help yourself to some motherfucking crow
And give me my dough, then get the fuck out tha door

(Dirty Box)

Jesus man, these weak ass rhymes
Wastin all my motherfuckin time

(Spyda)

The fuck you want nigga? Huh? The fuck you want

What's my name bitch? Say my fuckin name trick
What's my name ho? Say my fuckin name yo

Got no guns, got no huns, got no niggas
Got no hoes, got no dough, got no bros
Got no money, got no honey, got none so I runnin
I aint worth a shit, but I'll work this
Cuz I need paper more than I need Slick Rick
I need a bitch who likes to suck dick
And wont be afraid to give it a little lick
It aint little, nigga it's biggle, duece bigolo male gigolo
I said what's my fuckin name ho?

(Kriminal)

What the hell is my name? And what's my game
I dont play games, I play with trains
Nigga I get brain, from other niggas in jail
My mama aint payin no damn bail, bitch go to hell
And I hope you well when you tellin me this shit
