"Enchanting Woods"

I am a night in to the darkness, only soul lost with me, I
walk through the
night in to the forest and everything stays behind me,
i'm waiting for
another chance...it calls.

I capture my eyes, I wait for the end, I see the
holograms of today, only
soul with me I carry my shadow, and it calls my
name...my name.
I see the light, my mind can't touch it, emperor's name
and the final
thoughts, hearing whispering from my soul, i'm so cold
inside but still
it's a truth... whispering inside of me.

I touch my eyes, i'm dreaming for end, and enchanting
woods is only a
dream, I feel the sun my eyes will burn, for my soul I
see anything.
