I am a night in to the darkness, only soul lost with me, I  
walk through the  
night in to the forest and everything stays behind me,  
i'm waiting for another chance...it  
calls.

I capture my eyes, I wait for the end, I see the  
holograms of today, only soul with me I  
carry my shadow, and it call's my name...my name.

I see the light, my mind can't touch it, emperors name  
and the final thoughts, hearing

whispering from my soul, i'm so cold inside but still it's  
a truth...whispering inside of  
me.

I touch my eyes, i'm dreaming for end, and enchanting  
woods is only a dream, I feel the  
sun my eyes will burn, for my soul I see anything.
