I saw you standing in the doorway looking for someone
you could drag down

I saw Rosetta on the stairway carrying bags from the
black town

I could never stop you...

another victim's in your claws in your claws

You are home to satisfy you to make you feel like a real
man

Taught her to give you love and pleasure

You chained her feet and you chained her sweet hands

I could never stop you...

Another victim's in your claws in your claws

You little Graveyard Poppy. Growing on the dead
drinking water from hell. Graveyard Poppy Oooh

Graveyard Poppy. Growing on the dead drinking water
from hell. Graveyard Poppy Oh oh oh Ooh

Now you've got everything you wanted

Rosetta loved you and you killed her

I hope you'll always be the haunted by souls you killed
in times before her

I could never stop you...

Another victim's in your grave in your grave

You little Graveyard Poppy. Growing on the dead
drinking water from hell. Graveyard Poppy Oooh

Graveyard Poppy. Growing on the dead drinking water
from hell

Graveyard Poppy Oh Oh Oh Oh Oh Ooh
