Walking bones
chose your own direction
go have fun
some place else

bring your soul
and your beach boys records
i can't stand
to have your here

so worn out
cold and dehydrated
the fortune is spent
and dad is in space

Chorus:
Every home should have a mom in love
and a daddy in space
chinese porcelain cats
to guard her love
in the window space
show her some respect
she's all worn down

For years to comes
i vwill not forget you
as my son
as my pain

Time will heal
whats now feels so wounded

tears are spilled and the holes will fill

Chorus:
Every home should have a mom in love
and a daddy in space
chinese porcelain cats
to guard her love
in the window space
show her some respect
she's all worn down

show her some respect
she's all worn down

show her some respect
she's all worn down

Chorus:

Every home should have a mom in love
and a daddy in space
chinese porcelain cats
to guard her love
in the window space
show her some respect
she's all worn down
