E uassiuian [Childhood – state of being a child]

N'tshish nuaten eshenniuian
N'tshish nuaten eshen'tautshian
N'thish tapue pussen'taman
Nte ueshket ka inniuian
Muk tapue ninen n'tinniun
Tshetshi nan'tam akua tuteman
Ne menuen'ten eshenakushian
E uataman e uassiuian
Eshk tapue ne mamet'nenten
Net ueshket ka metueian
Kametueian shet nuitsheuan
Tshetshi nan'tam tekushenian

Apu tshekuan n'tshish iten'taman
Nte aitapian nte uateman
Nte e uataman nte ka n'tautshian
Apu tshi nan'tam tekushenian

Muk tapue ninen n'tinniun
Tshetshi nan'tam akua tuteman
I menuen'ten eshenakushian
E uataman e uassiuian

E Uassiuian by Kashtin (Tornado)
Now I see how I live
Now I see how I grew up
Now, I am really confused because
Of my life before now.
But really, we live and
We should always be careful what we do.

I am content with my present lifestyle,
But I still think back to playing with my friends...
[when I think about playing with friends,
My mind journeys back to my childhood]

Thinking about nothing,
Just looking back,
Looking at how I was raised,
You cannot go back forever.

But honestly, we should live in a way that
We take care of ourselves [we should take care to live
to the fullest now]
Be content with our present lifestyle...
I see... my childhood...
