Nasty, nasty nasty
C'mon, uh huh
You know I like 'em when they're nasty
Uh huh, uh huh, uh huh

All I ever wanted was a nasty girl
To make a nigga hot and scream
Don't stop when you hit the spot
Ain't a treat wit me, 'cos you see me with the Lock

Ain't gon' leave with me 'cos you see me in the drop
Ooh I like that when it takes some game
Justa, get your name, don't you see my chain?
Got a lotta ice and she like "Yeah that's nice"

"You Kasino right?" and I say "Yeah that's right"
That was you that I seen on TV last night
I say, "Yeah", she said "I'm sorry, you ain't my type"
I want a chick I could holla at, throw a dollar at

If she wanna come chilly, tell her holla back
Got the Ac fo' in the lot, tell her follow that
Back to the room, checkout time ain't til noon
But I just met you but it ain't too soon
Let's play house, you be the wife, I could be the
[unverified]

All I ever wanted was a nasty girl
Someone who can go with the flow with the lights down
low, oh
But she can't be easy, sleasy
Got to be based with freaky freaky

All I ever wanted was a nasty girl
Someone who can go with the flow with the lights down
low, oh
But she can't be easy, sleasy
Got to be based with freaky freaky

Excuse me miss, you never heard me say I was rich
I just talk like this and walk like this
All I ever wanted was a nasty chick

Who gonna strip when I say so, skip when I say go?

Creep when I say no, uh uh I ain't think so
Party just beginnin', I'm thinkin' 'bout it in us
As I don't drink or smoke, I'm thinkin' 'bout women
In back of the truck, wit her legs up
(That's right)

Sittin' on 20's and she don't want money
She knows I'm a freak so she brung a friend for me
From around-the-way girls to a Playboy bunny
Use to be too thin to win but now I'm chubby
Just like a teddy bear, all the girls love me
Wanna play wit me, hopin', can't hit me
If I got enough money maybe she could stay wit me

All I ever wanted was a nasty girl
Someone who can go with the flow with the lights down
low, oh
But she can't be easy, sleasy
Got to be based with freaky freaky

Tell me the truth, are you waitin' after the show?
'Cos you after my doe and an ass kissin' no
Let me know, do you want cash from the doe?
Is it sex or pay cheque you askin' me fo'?

Pretty chick, don't you think that I'm serious?
I heard a lot about you, ain't you curious?
How you, shake your hips and you, lick your lips
Would you, give me a kiss if I give you my chips?

Ain't that type of girl, let me save you a trip
What if I was broke, all that I could give you is dick
I need a girl that's gon' still be, bout it bout it
No doubt about it, can't live without it

Sex me in the SC, so well
She need to ask me how she played, no replay
Playmate of the month, all she need is a pimp
I'm like the nastiest nigga since Larry Flynt

All I ever wanted was a nasty girl
Someone who can go with the flow with the lights down
low, oh
But she can't be easy, sleasy
Got to be based with freaky freaky

All I ever wanted was a nasty girl
Someone who can go with the flow with the lights down
low, oh

But she can't be easy, sleasy
Got to be based with freaky freaky

Kasino like a nasty girl
Nigga Lock love a nasty girl
Mike P'll love a nasty girl
Jive Records like a nasty girl
Everybody like a nasty girl
