How does it make you feel
When I say love is a battlefield
Partially concealed
Under heavy sword and shield
My casualty revealed
Someone's wish fulfilled

I'm breathing fire
(Is my heart still beating)
In a mindless desire
(Still let me leaving)
I'm breathing fire
(Is my heart still beating)
In a mindless desire
(How long have you been leaving?)
Hey, how long have you been leaving?

Somewhere along the way
I hope you'd stay
You'd rather bear the blame
Something changed
You call it loud and clear
Compel the wounds to heal

I'm breathing fire
(Is my heart still beating)
In a mindless desire
(Still let me leaving)
I'm breathing fire
(Is my heart still beating)
In a mindless desire
(How long have you been leaving?)
Hey, how long have you been leaving?
