I learned to survive
Under the knife
I learned to survive
(Without your kisses)
Under the knife
(Cut up to pieces)

And I've woken up to sobriety
Just another day you're not with me
Wish I could escape reality
And drown in the beats I'm so lost in

Everyday I'm wakin' to sobriety
Nothing can erase this memory
Wish that I could change reality
And drown in the beats I'm so lost in

Calling me out
'Cause I'm in love
(Love human reactor)

I learned to survive
(My heart's still beatin')
Under the knife
(And I'm not breathin')

Look in your eyes
(So deceiving)
I'll keep alive
(Just give me a reason)

And I've woken up to sobriety
Just another day you're not with me
Wish I could escape reality
And drown in the beats I'm so lost in

Everyday I'm wakin' to sobriety
Nothin' can erase this memory
Wish that I could change reality
And drown in the beats I'm so lost in

Calling me out

'Cause I'm in love
Calling me out
'Cause I'm in love
(Love human reactor)

And I've woken up to sobriety
Wish I could escape reality
And I've woken up to sobriety
Wish I could escape reality
