Oh I can never replace my love for you
Oh I will never forget you see me through

Over thoughts of giving in
Never wanted this to end
It won't last as memories stay
Cause it will never fade away

It's been weighing on my mind
Knowing this was quite a find
I won't let this feeling pass away
Reminded of this everyday
You're everywhere
You're here
You're all around me
I can feel you touch me
Raise my voice to the sky above
Cries of love
