"Room For Happiness"

Sometimes I wish I never felt the influence of you
Cause now I feel the disconnect, like an open wound
Where you once were, there is a space that runs as
deep as hell
But every morning when I wake I tell myself
Don't be fooled by your emptiness,
There's so much more room for happiness
Don't be fooled by your emptiness,
There's so much more room for happiness
Yeah, yeah, yeah
Sometimes it's worse to have lost than to have
never had at all
Cause it's a curse to feel loved then to feel it all
dissolved
Where you once were, there is a space that runs as
deep as hell
But every morning when I wake I tell myself
Don't be fooled by your emptiness,
There's so much more room for happiness
Don't be fooled by your emptiness,
There's so much more room for happiness
Yeah, yeah, yeah
Don't be fooled by your emptiness,
There's so much more room for happiness
Don't be fooled by your emptiness,
There's so much more room for happiness
Yeah, yeah, yeah
