Here we are
We've come so far
A fine romance
Steppin' out to dance

Your lovely charms
When you're in my arms
Subtle glance
When steppin' out to dance
To dance, dance

Could you think it over?
When we get older
I'll still want you here with me
Darling, I hope that you agree

There's somethin' that takes place
Whenever we embrace
I'm hopin' that you take this chance
Steppin' out to dance

Here we are
We've come so far

Could you think it over?
When we get older
I'll still want you here with me
Darling, I hope that you agree

There's somethin' that takes place
Whenever we embrace
I'm hopin' that you take this chance
Steppin' out

Could you think it over?
When we get older
I'll still want you here with me
Darling, I hope that you agree

There's somethin' that takes place
Whenever we embrace
I'm hopin' that you take this chance
