Darlin', we were just starting out  
But I can't deny the someone I saw  
Darlin', we were just starting out  
Don't like a sound with it, hope I did right

I won't pretend  
She was less than a friend  
Together such a long time ago  
Forgot how she made me feel so

Then out of the blue  
God gave me you  
And this is where my heart is at  
And I'll never look back

Darlin', we were just starting out  
But I can't deny the someone I saw  
Darlin', we were just starting out  
Don't like a sound with it, hope I did right

Roll me once again  
Are you [Incomprehensible] roll me once again  
Soak, soak

Darlin', I'm sure  
We've got something that's pure  
And this is where our love will live  
We've got so much to give

Roll me once again  
Soak into your skin  
With all my soul  
I'm gonna take hold

Roll me once again  
Soak into your skin  
With all my soul  
I'm gonna take hold

Roll me once again  
Soak into your skin  
With all my soul

I'm gonna take hold

Darlin', we were just starting out  
But I can't deny the someone I saw  
Darlin', we were just starting out  
Don't like a sound with it, hope I did right

We were just starting, starting right here  
We were just starting, starting right here

Roll me once again  
Are you [Incomprehensible] roll me once again  
Soak, soak

Roll me once again

Soak
