[SWV]

Anticipation, of what's to come  
I'm so happy that, I'm the lucky one  
So long I've waited but it's, never too late  
For love...

It feels so right, baby, that it can't be wrong  
Where I am weak, baby, you make me strong  
I'm down for you, and whatever you want  
to do... it's all up to you, because

Chorus:

Anything you want, baby Gonna try to  
I am gonna try to do It's alright  
I'm gonna try, to do  
Pleasure every way You can ride  
Just to get with you If you want to  
To...

[SWV]

Whatever method used, is alright with me  
As long as you get to where, you need to be  
This is the vision made for both of our eyes

To see...

It feels so right, it can't be wrong  
Where I am weak, ba-by, you make me strong  
I'm down for you, and whatever you want me  
To do... it's all up to you, because

Chorus

[Ol Dirty Bastard]  
Dirty Bas, style cuts like glass  
Gotta gotta keep it high power to the mass  
Yo Gods, another like platinum hit  
Party people all around be sayin that's the shit!

[Method Man]  
Kaboom! Guess who stepped in the room  
Tical, hailing from the Shaolin Isle  
It be me the killer bee, on the M-I-C  
With the S-S-double-double-U (W) to the V-V  
Me me goin downtown, let me see  
If we all and together now, make it mo' better now  
Listen, I ain't sweatin no competition  
Flow, goin mad low like I'm dissin

[U-God]  
Another chapter from the Wu-Tang group  
Take a look or a peak, killer bees never sleep  
Nonstop, put you on the choppin block  
Unorthodox, attitude to melting pot

[Method Man]  
I'll do anything, I'm so into you  
Right here, I win, downtown with the Wu  
Kaboom! Guess who stepped in the room  
The S-S-double-double-U (W) to the V-V

Chorus and Intro repeat to end
