Sometimes I wonder how I'd ever make it though  
Through this world without having you  
I just wouldn't have a clue  
Caus sometime it seems like this world's closing in on  
me  
And there's no way of breaking free  
And then I see you reach for me

Sometimes I wanna give up, wanna give in, I wanna  
quit the fight  
And then I see you baby, and everything's alright,  
everything's alright

When I see you smile, I can face the world ooh  
You know I can do anything  
When I see you smile, I see a ray of light ooh  
I see it shining right through the rain  
When I see you smile  
Baby when I see you smile at me

Oh yeah

Baby there nothing in this world that could ever do,  
what the touch of your hand can do  
It's like nothing that I ever knew  
And when then rain is falling, I can feel it, caus you're  
here with me now  
And one look at ya baby  
It's all I'll ever need  
It's all I'll ever need

When I see you smile, I can face the world ooh  
You know I can do anything  
When I see you smile, I see a ray of light ooh  
I see it shining right through the rain  
When I see you smile  
Baby when I see you smile at me

Sometimes I wanna give up, I wanna give in, I wanna  
quit the fight  
Then one look at ya baby and everything's alright,  
yeah, everything's alright

So right

When I see you smile, I can face the world ooh

You know I can do anything, yeah

When I see you smile, I see a ray of light ooh

I see it shining right through the rain

Yeah

When I see you smile, yeah I can face the world ooh

You know I can do anything

When I see you smile, oh yeah, baby when I see you,  
smile

Smile at me
