Uhhh, uuuu, o o o o
He was the sun, I was the moon,
Totally different point of view,
He was the spring time and I was the fall
We don't agree on nothing at all.
He's just like water, and I'm just like oil
He moves like the river and I'm running just like the soil
There's just one thing that we're both understanding,
I can't never live without him, he can't never live without
me.

Chorus:

When two people from different world, two , but when
we get on the floor its
One move, one love, when we start to dance, 2
becomes 1.
Two people from different world, two but when we get
on the floor its
One move, one love, when we start to dance 2
becomes 1,
Oh oh oh oho oh oh, o o o o o o o o , when we start to
dance 2 becomes 1.

He thinks the love is just a game, but I think that love is
the only way,
He don't believe in that till it was, I believe ..is from my
heart.
I'm just like fire, and he's just like air,
I burn with desire, ..whenever ..
But there's just one thing that we're both
understanding,
I can't never live without him, he can't never live without
me.

Chorus:

When two people from different world, two ...,
One move, one love, one got to dance when 2 becomes
1,
Two people from different world, two ...when we get
under ..,
One move, one love, we got to dance 2 becomes 1.

Oh oh oh oho oh oh.
Got to dance 2 becomes 1.

From the east to the west ...,
Opposite..almost everything else,
But when we dance, when we touch,
Only he kept my hand like a ..

[Chorus:]

O o o o o o o , o o o o o o , o o o
Got to dance 2 becomes 1.
O o o o o o o , o o o o o o , o o o
Got to dance 2 becomes 1.
