Verse 1 (Kat)

Here I am again
I know you givin' me everything
This time is not the same
I can't let this get away
So hard to let my god down
With my instincts tell me I should run away
Searched my whole life and now what I've found
The answer I need is

(Chorus):

So I'm calling all angels
I've been lost so long
Shining light for me
I'm calling all angels
Help me to be strong now
I'm on my knees
Waited all my life just to find someone
Now you gave me the one I need
I'll know this forever
Is all I need to believe
I'm calling all angels
I'm calling all angels

Verse 2 (Kat)

Answered all my prayers
And still I can't see the light
I'm filled with so much fear
With the shadows deep inside
And I would give this world away
To break these chains they refuse to set me free
Losing him would kill my faith
Cos he's every part of me

(Chorus):

So I'm calling all angels
I've been lost so long
Shining light for me

I'm calling all angels
Help me to be strong now
I'm on my knees

Waited all my life just to find someone
Now you gave me the one I need
I'll know this forever
Is all I need to believe
I'm calling all angels

(Break)
Fair angels,
the continue harmony's
Not askin' you for love
What I'm askin' you
To show me how
To love

(Chorus):
So I'm calling all angels
I've been lost so long
Shining light for me
I'm calling all angels
Help me to be strong now
I'm on my knees
Waited all my life just to find someone
Now you gave me the one I need I
'll know this forever
Is all I need to believe
I'm calling all angels
I'm calling all angels

If you're out there, answer my prayer
I'm calling all angels
If you're out there, answer my prayer
