They got aces on the tab yo yo
They wanna cut the queen yo yo
But they going home with jack
Cause I ain't no hoe!

Catch me if you can catch me if you can baby
If I can make you dance I can make you dance baby
Hold on to my hips my hips my hips
Now watch me as I dip I dip I dip

We keep the club on smash when we walk in the door
We keep the club on smash soon as we hit the floor
Me and my girls we shut it down girls we shut it down
Me and my girls we shut it down girls we girls we shut it
down
We keep the club on smash club on smash
We keep the club on smash club on smash

Sometimes I like to were my shades yo yo
I feel like I'm in disguise yo yo
Let's play the sexy game yo yo
But that's all you get tonight
Cause I ain't no hoe!

Catch me if you can catch me if you can baby
If I can make you dance I can make you dance baby
Hold on to my hips my hips my hips

Now watch me as I dip I dip I dip

We keep the club on smash when we walk in the door
We keep the club on smash soon as we hit the floor
Me and my girls we shut it down girls we shut it down
Me and my girls we shut it down girls we girls we shut it
