Can you feel the noise  
Omarion  
Kaattt  
Boy boy boy  
Can you feel the noise  
Boy boy boy  
All night  
(Verse one)  
I respect your cry  
Don't mean to hit you up on a work night  
But what I gotta do girl (do girl)  
Baby can't you bend them rules cuz tonight I wanna  
bend you  
I promise it wont hurt (wont hurt)  
Stop acting like I'm acting up  
Cuttin up the gutter  
Worked up like waht the fu\*k  
Wont you pick up the phone girl I know your alone girl  
Cuz your the only one I'm stuck  
Did I miss that cut off time  
Used to be down did I drop the dime  
Eh shorty I'm coming home  
Daddys tryna make you moan  
You gon miss out  
(Shes said)  
It's cut off time  
(Shes said)
