yea, yea KAt deluna, kat deluna, red one

lalalalalalalala

I got the fever of the Saturday night
And its out of control, out of control
Its a disease that makes you lose your mind
Once you get to the floor, get to the floor
Its gonna go down down down down
Its gonna spin around round round
This is how we party

oh oh oh oh oh oh
oh oh oh oh oh oh
yay yay yay yay
yay yay yay yay
(this is how we party)
oh oh oh oh oh oh
oh oh oh oh oh oh
yay yay yay yay

yay yay yay yay
(this is how we party)

la la la la la la la la la
la la la la la la la la la

yes im sucker for the crazy lights
always carving for more, carving for more
firecracker flying high through the night
Watch me as I explode , as I explode

(Chorus Repeat)

(Elephant Man)
