Let's go, this time I'm back, more fire

Operator, something ain't right,
I need you to send someone to save me tonight,
My body is burning up is feeling... ,
For hundred and nine degrees... , ahh
My temperature is running baby,
I need someone to come and save me.

Chorus:

I need a fireman, to come and put this fire...
I need a fireman, because I'm burning up inside,
So I need a fireman, because I'm in the fire, fire,
You're so extenguisher, put this fire high.

I don't need a... , let's do it in the... ,
Send me a chief that can teach me to stop,
Drop in the... till the frame is...
Just... me down 'cause the... high, high

Chorus:

I need someone to come and save me.
I need a fireman, to come and put this fire off
I need a fireman, because I'm burning up inside,
So I need a fireman, because I'm in the fire, fire,
You're a so extenguisher, put this fire high.
Fire, fire, uhhh, yaaa

Chorus:

I need a fireman, to come and put this fire off,
I need a fireman, because I'm burning up inside,
I need a fireman, because I'm in the fire, fire,
You're so extenguisher, put this fire high.
I need a fireman, isn't much for you
I need a fireman, can somebody help me
I need a fireman, I need a, I need a fire, fire
I need a, I need a, I need a, I need a,
You're always so extinguisher,
And come and put this fire out
