KAAAAAAAAAAT!

This is a battle between
the fellas and the ladies
on the dance floor

How we roll
That's how we roll
How we roll

Chorus:

All my ladies to the floor
Show these fellas how we roll
All my fellas to the floor
Show us ladies how you roll
All my ladies to the floor
Show these fellas how we roll
All my fellas to the floor
Show us ladies how you roll

Verse 1 (Kat DeLuna)

Hey ladies feel the groo-ve
Show these fellas how ya moo-ve
We bring in in control

Try something a lil more cool
Twitch in, twitch out
Let's see who wants the floor
