You can take me shopping,
You can buy me all these things,...
Like I'm some gold digger b
Like I don't support myself
My favorite color green, aha!
Even if I was broke, boy you couldn't get close to me!
The way you try to buy my time it's annoying me
You better find another way approaching me,
Cause you're wrapped up, superficial, that don't work
with me!

Chorus:
Mr. Hollywood, Mr. Hollywood
You'll never buy my love,
Cause you never have enough, no!
Mr. Hollywood, Mr. Hollywood
You'll never buy my love,
Cause you never have enough, no!

He doesn't get it, no!
The type of girl I am!
No, he's not used to get it
Boy, you're way out of your league!
