She's in the mirror, those eyes are closed  
I smile at her, but she's not smiling back.  
A perfect stranger, and the perfect side of me  
I can see she's crying, but I don't feel a thing  
I see her now, but I've done, I sort of gave her up for  
nothing  
Look at me, I feel so cheap,  
I thought that this would lead to something!  
Why, tell me why, why would not believe in love so  
much?  
Do I crucify myself?

Chorus:

Is not the first time I almost killed my  
But I almost gave up breathing, not for him to fall apart  
Is not the first time I almost lost my way  
And turn myself against me just to make 'em stare.

It's not first time, but it's the last time  
I give it all for one  
Another broken promise, another picture on my pain  
Standing here for hours, cause it hurts so bad to seal  
The... inside the mirror, there's no one else for me!  
Why, tell me why, why would not believe in love so  
much?  
Do I crucify myself?

Chorus:

Is not the first time I almost killed my word  
But I almost gave up breathing, not for him to fall apart  
Is not the first time I almost lost my way  
And turn myself against me just to make 'em stare.  
Why, tell me why, why would not believe in love so  
much?  
Do I crucify myself?

Is not the first time I almost killed my word  
But I almost gave up breathing, not for him to fall apart  
Is not the first time I almost lost my way  
And turn myself against me just to make 'em stare.  
Why, tell me why, why would not believe in love so  
much?

Do I crucify myself?
