Oh Yeah! (Oh Yeah, Oh yeah, Oh yeah...)
Louder (Louder, louder, louder, louder...)

Whip my body boy now,
Turn me up (turn me up!),
Like I'm your favourite song now,
Turn me up (turn me up!),
You all over me,
I'm all over you,
Boy I want you to (Turn Me Up!)
Whip my body baby,
Turn me up (turn me up!),

Oh he's playing my song,
I'm singing along,
Just me 'n' ma girls,
Dancing all on my own,
Until you came along,
He approach me so well,
I was under his spell,
He knows how to turn me,
On, on, on, on,

The music's lyin',
Don't carin,
Bout' the people watching us,
Sad, if you wanna treat me,
Rather you might get on my love!,

Whip my body boy now,
Turn me up (turn me up!),
Like I'm your favourite song now,
Turn me up (turn me up!),
You all over me,
I'm all over you,
Boy I want you to (Turn Me Up!)
Whip my body baby,
Turn me up (turn me up!),

Whip my body boy now,
Turn me up (turn me up!),
Like I'm your favourite song now,

Turn me up (turn me up!),
You all over me,
I'm all over you,
Boy I want you to (Turn Me Up!)
Whip my body baby,

Turn me up (turn me up!),

Louder, louder, louder,
Vawerte, vawerte, vawerte,

Oh he's playing my song,
I'm singing along,
Just me 'n' ma girls,
Dancing all on my own,
Until you came along,
He approach me so well,
I was under his spell,
He knows how to turn me,
On, on, on, on,

The music's lyin',
Don't carin,
Bout' the people watching us,
Sad, if you wanna treat me,
Rather you might get on my love!,

Whip my body boy now,
Turn me up (turn me up!),
Like I'm your favourite song now,
Turn me up (turn me up!),
You all over me,
I'm all over you,
Boy I want you to (Turn Me Up!)
Whip my body baby,
Turn me up (turn me up!),

Whip my body boy now,
Turn me up (turn me up!),
Like I'm your favourite song now,
Turn me up (turn me up!),
You all over me,
I'm all over you,
Boy I want you to (Turn Me Up!)
Whip my body baby,
Turn me up (turn me up!),

Louder, louder, louder,
Vawerte, vawerte, vawerte.
