Sense is telling me you're looking

I can feel it on my skin

Boy I wonder what would happen

If I trip and let you in,

Don't get shook my my aggression

I just might be the one

Lets skip this conversation

Just whine your body up

(Ha ha ha)

Don't wanna wait no more

(Ha ha ha)

You got what I'm searching for

Cuz I'm feeling your vibing

I'm riding high is exotic

And I want you, I want you here

Pull me closer and closer and

Hold me tight to your body

I wanna feel you, I wanna feel you near

Whine up, whine up, whine up, oh yeah!

Whine up, whine up, whine up, oh yeah!

Whine up, whine up, whine up, oh yeah!

Whine up, whine up, whine up, oh yeah!

a ese nene lo tengo trikiao

cuando lo bailo lo bailo de lao (oh yea)

y lo empujo lo tengo tumbao

con mis caderas lo tengo amansao wind!

Boy keep doing what you're doing get me hot

Winding up your body you don't have to stop

My temperature is rising want you more than before

It's an animal attraction, whine your body up

(Ha ha ha)

It's the magic on the floor

(Ha ha ha)

I don't wanna wait no more

Cuz I'm feeling your vibing

I'm riding high is exotic
