You say I done it wrong again
They say I left myself with nothing much to give
And they try and show me how to live
I must be good, repent and forgive
But I've been asleep for weeks on end
(if) I've got the time I like to watch the cricket and
If they say I lead an empty life
My mouth is shut you won't get any information from
me
Dwtai now

You will never ever force my hand
My head is always buried way down in the sand
You can say I lead an empty life
But I've never found it easy to decide
Dressed you up in uniform
Did they pick on you when you were weak and they
were strong?
Who told you that I'm not on form?
My mouth is shut etc.
Dwtai now
No, dwtai now

You can knock on my door
Keep ringing my bell if you're coming for Jesus or
coming to sell
I've got none of my money but I've got the knack
If I sit long enough it'll fall to my lap

I can never pay enough of my bills
I spend my money wll I enjoy the time it kills
I won't fix my life cos it ain't bust
You can come again - you won't see me for dust
