Did you find that some Autumn day  
Your life was in disarray  
Forlorn for good  
Did you do what your parents done?  
Find some mad equilibrium

Now I can say honestly  
You're a masculine travesty  
Forewarned is forearmed  
Your purple patch came and went  
All those love letters never sent

He was the mother of, mother of  
The mother of M I S O G Y N Y, misogyny  
Mother of, mother of M I S O G Y N Y, misogyny

You're so much a part of me  
It's life's greatest tragedy  
Unarmed and undone  
So you do what you always done  
Finding' mad equilibrium

He was the mother of, mother of  
The mother of M I S O G Y N Y, misogyny  
Mother of, mother of M I S O G Y N Y, misogyny  
Mother of, mother of M I S O G Y N Y, misogyny

M I S O G Y N Y, misogyny  
M I S O G Y N Y, misogyny  
M I S O G Y N Y, misogyny  
M I S O G Y N Y, misogyny

M I S O G Y N Y, misogyny, M I S O G Y N Y, misogyny  
(Mother of, mother of)  
M I S O G Y N Y, misogyny  
(Mother of)
