I try to be liberated
I find myself captivted
Stop, doing, what, you, keep doing it to
I try to stay bold and lonely
I dream I'm your one and only
Stop, doing, what you, keep doing it to
Things are getting strange I'm starting to worry,
This could be a case for mulder and scully
Things are getting strange now I can't see alone

I'd rather be jumping ship
I find myself jumping straight in
Stop, doing, what, you, keep doing it to
Forever be dosy and dim
I wake myself thinking of him
Stop, doing, what, you, keep doing it to
Things are getting strange I'm starting to worry,
This could be a case for mulder and scully
Things are getting strange now I can't see alone

My bed is made for two
And there's nothing I can do
So tell me something new
Don't you know
My head is full of you
Coz there's nothing I can do,
So tell me something I don't know
My head is full of you
There's nothing I can do
Must we all march two by two

And as for some happy ending,
I'd rather stay single and thin

Stop doing what you, keep doing it to. . . .

Things are getting strange.
I'm starting to worry
This could be a case for Mulder and Scully
Things are getting strange
Now I can't sleep alone
