Mulder and Scully Lyrics

Intro

I'd rather be liberated, I find myself captivated
Stop doing what you . . . Keep doing it too . . .
I'd rather stay bold and lonely, I dream I'm your one
and only
Stop doing what you . . . Keep doing it too . . .
Things are getting strange, I'm starting to worry
This could be a case for Mulder and Scully
Things are getting strange, now I can't sleep alone
I'd rather be jumping ship, I find myself jumping
straight in
Stop doing what you . . . Keep doing it too . . .
Forever be dozy and dim, I wake myself thinking of him
Stop doing what you . . . Keep doing it too . . .
Things are getting strange, I'm starting to worry
This could be a case for Mulder and Scully
Things are getting strange, now I can't sleep alone
My bed is made for two and there's nothing I can do
So tell me something I don't know
If my head is full of you is there nothing I can do?
Must we all march in two by two by two?

And as for some happy ending, I'd rather stay single
and thin

Stop doing what you . . . Keep doing it to me
Things are getting strange, I'm starting to worry
This could be a case for Mulder and Scully
Things are getting strange, now I can't sleep alone
here
Things are getting strange, I'm starting to worry
This could be a case for Mulder and Scully
Things are getting strange, now I can't sleep alone

So what have you got to say about that?
And what does someone do without love?
And what does someone do with love?
And what have you got to say about that?
